HISTORY OF VIPASSANA IN ALBERTA

Vipassana courses have been given in Alberta since May of 1996 at several temporary locations. The centre, Dhamma Karuṇā, was purchased in August of 2014 through the generosity of those who embrace the technique in their daily lives. It is one of more than 120 centres worldwide offering courses in Vipassana Meditation, as taught by S.N.Goenka and his assistant teachers in the tradition of Sayagyi U Ba Khin.
